

BUILDING

BLOCKS TOY SET- *Play22 Original*

INSTRUCTIONS AND CAUTIONS TO USE

- ✓ No assembly required
- ✓ The building blocks can be connected together by lining up the studs and pressing them together
- ✓ Encourage your child to use their imagination to create their own unique designs.
- ✓ The toy set includes an idea guide, which can be used as inspiration for building different structures
- ✓ The building blocks can be easily cleaned with soap and water.
- ✓ This toy set is recommended for children ages 3 and up.
- ✓ The building blocks should not be put in the mouth, as they can pose a choking hazard.
- ✓ Parental supervision is recommended during play to prevent any potential hazards.
- ✓ Do not allow children to throw the building blocks or use them as projectiles.
- ✓ Keep the toy set away from heat sources and sharp objects that could damage the pieces.
- ✓ If any pieces become damaged or broken, they should be immediately removed from use.

Looking for a fun and educational gift for your little ones? This **building block toy set** is perfect for boys and girls aged 3 years and up who love to build and create. With its STEM educational focus, your child will be challenged to build creative designs while developing important social and problem-solving skills. Not only is this toy set educational, it's also safe and easy to use. This building block set also comes with a beautiful and strong storage box, making it easy to carry and store.
