### INSTRUCTIONS TO USE

- ✓ Let them build and encourage imaginative playtime, and develop motor skill
- ✓ For assembly, pop the tent up and insert support rods for additional stability
- ✓ Each pole is inserted from the bottom of the castle into concealed sleeves
- ✓ Your children can fold the poles away for easy storage. Comes with a carry bag
- ✓ The play tent can also be connected to the kids' play tunnel. Both indoors and outdoors.
- ✓ Can be used at parties, backyards, parks, picnics, playgrounds, photoshoots, etc
- ✓ Let them have fun with their siblings and friends for hours on end
- ✓ Great for dogs, cats, and other pets. Specially made for 3 to 8-year-old girls and boys
- ✓ Use a bright light for at least 10 minutes to enjoy glow-in-the-dark fun

### SIMPLE NO ASSEMBLY IS REQUIRED

- ✓ **First Step** : Assemble the shock-corded fibreglass poles
- ✓ **Second Step** : Bend the poles and put the ends into the pockets at both the top and bottom inside the tent
- ✓ **Third Step** : Secure the poles with ties

### FOLDING INSTRUCTION

- ✓ Take out the poles and close the two loops together
- ✓ Then pull the sides together allowing the frame to form a coil
- ✓ Fold your right hand under your left hand and this will form this third loop
- ✓ Compact three loops together
- ✓ Re-pack into the zippered case
