

# INFRARED LASER TAG GUN AND VEST SET - *Play22 Original*

## PLAY AND ENJOY MORE FUN SHOOTING EACH OTHER

This infrared laser gun toy has tons of useful features and great sound and four colors of light (blue, red, green, white) so that it can be played by 4 members together! There are four gun types: pistol (one hit), shotgun (two hits), machine gun (two hits), or rocket launcher (three hits). The laser tag with the vest lights up and vibrates and makes noise to provide more fun shooting each other.

## INSTRUCTIONS TO USE

- ✓ No assembly required
- ✓ 4 Team player set
- ✓ Requires 4 x AA batteries per laser gun and no additional accessories are required
- ✓ Features realistic vibrations every time you shoot or get shot.
- ✓ The laser toy is harmless and the invisible infrared light is similar to a TV remote control
- ✓ Made from the finest materials and will stand up to a rough ride. Clean with a damp cloth
- ✓ Each laser gun has a firing distance of up to 50 meters. Light shortens the shooting distance
- ✓ The shooting range also depends on the type of ammunition chosen

## GAME RULES

- ✓ You have to eliminate all your opponents
- ✓ You've eliminated when all lives on their gun are gone
- ✓ The laser guns have 4 types of ammunition
- ✓ The heavier the type of ammunition, the more lives the enemy has lost
- ✓ On the laser gun, you can see how many lives you have left
- ✓ The number of lives is indicated by bars of life
- ✓ Each bar of life represents three lives
- ✓ When all rays of life are out, you are out

## PACKAGE INCLUDES:

- ✓ Guns x 4
- ✓ Bullets x 12
- ✓ Vests x 4
