

# PLUSH TALKING STUFFED ANIMAL SET FOR BABIES - *Play22 Original*

## INSTRUCTIONS TO USE

- ✓ Let your baby hug and squeeze each animal and hear them make sounds and come to life
- ✓ Carefully made with high-quality materials to be safe for babies and toddlers of 6 months and up
- ✓ Each plush animal is very soft and fits snugly in the jungle house, so can be carried on adventures with your little one
- ✓ The jungle house measures 6" L x 6" W x 10.5" H (with handle) and the animals measure 3.5" L x 1.9" W x 3.1" H Approx
- ✓ Your little one will be amazed and entertained for hours with this interactive set
- ✓ Features the roar of the lion, the growl of the tiger, the trumpet of the elephant, and the clatter of the monkey
- ✓ When it gets dirty, can be washed with a damp cloth to keep it clean and germ-free for your baby
- ✓ Your babies can play with them alone. No need to worry about any hard substance or burrs

## BRING YOUR LITTLE ONE A JUNGLE ADVENTURE HOME

Looking for a fun way to introduce your little one to the animals of the jungle? This **plush-talking stuffed animal set** includes a monkey, lion, zebra, tiger, and elephant that make a realistic sound helping your little baby learn about the noises animals make. Playing with these comfortable plush toys helps babies develop their imagination while promoting motor function, and nurturing their creativity. They'll also have a sense of security playing with the animals.
