

KIDS ADJUSTABLE BASKETBALL HOOP, PORTABLE BASKETBALL HOOP FOR KIDS - PLAY22 *Original*

INSTRUCTIONS TO USE

- ✓ The adjustable basketball hoop stand features a multi-segment design. You can easily adjust it from 5 to 7 feet
- ✓ The basketball stand adopts a triangular design. And it can be filled with water or sand for stability
- ✓ You can use your full force. The stand is made of an ABS backboard, iron basket frame, and iron bracket
- ✓ Two front wheels let the children effortlessly move it even when the base is weight
- ✓ Keep playing regardless of the weather. The nylon net is weather resistant.
- ✓ Let kids of different age ranges and skill levels enjoy the game on their own terms
- ✓ The stand needs to be assembled but no tools are required. Very easy as instructed.
- ✓ Don't recommend any slam dunk activities, or serious injury may occur

SIMPLE ASSEMBLY INSTRUCTIONS

You will have 10 parts. Axle (1 Piece), Lower Brace (2 Pieces), Top Pole (1 Piece), Midd Pole (1 Piece), Lower Pole (1 Piece), Net (1 Piece), Rim (1 Piece), Backboard (1 Piece), Wheel (2 Pieces), Base (1 Piece)

- ✓ **First Step:** Position the wheels and lower pole on the base. Slide the axle through the wheels and lower pole to secure them in place. Attach the left and right lower brace to the J base and the lower pole with four socket bolt (Included) sets and a long hex bolt set (Included).
- ✓ **Second Step:** Connect the middle pole to the lower pole with two short hex bolts (Included). Put sand or water in the base.
- ✓ **Last Step:** Simply attach the net to the rim, connecting each loop through a metal hook. Secure the rim to the backboard and the top pole with four small hex bolts (Included).

MAKE YOUR CHILDREN FEEL LIKE THE BASKETBALL SUPERSTAR

Make your children feel like the basketball superstar they admire, practice their jump shot during spare time, and perform some backyard dunking drills in the backyard. This **adjustable basketball hoop for kids** can give your children an authentic basketball experience and ensure hours of fun! It's made of sturdy steel poles for superior strength and durability. Also comes with a high-density polyethylene backboard.
