

# PLUSH PUPPY 9-PIECE SET FOR KIDS

*Play22 Original*

## INSTRUCTIONS TO USE

- ✓ No assembly required
- ✓ The plush puppy is soft and cuddly, making it perfect and safe for hugging and snuggling
- ✓ It stands on its own and the leash is detachable, making it easy to play with and care for
- ✓ Great for promoting imaginative play and can help children develop their creative and social skills
- ✓ Use the plush puppy as a tool to teach children about the responsibilities of caring for a pet
- ✓ The bag has a window to see the puppy and a quality zipper opening, making it easy to travel with
- ✓ This puppy set meets all USA safety requirements and is suitable for 18-inch dolls to play with
- ✓ Let your little one go on all adventures with her puppy in the carrying case with a zipper opening
- ✓ You can simply clean the items with a damp cloth and air dry whenever it becomes messy
- ✓ Do not machine wash or submerge the puppies in the water. Recommended to be used under an adult supervision

## NURTURE YOUR LITTLE ONE'S IMAGINATION AND EMPATHY

Does your little one need a furry friend? This **plush puppy 9-piece set** can be the best choice! While playing hours of pretend play with dog pets, children develop basic motor skills and stimulate their imaginations. The multi-piece items in these sets will make sweet and loyal companions for the little ones. By playing with the plush puppies, your children can develop empathy and learn about caring for a pet, such as feeding, grooming, and providing playtime.
