

FOLDABLE BABY PLAYPEN WITH 14 PANEL- *Play22 Original*

INSTRUCTIONS AND CAUTIONS TO USE

- ✓ Adult assembly required
- ✓ Lay out all 14 panels and connect them together by aligning the connectors and pushing them together.
- ✓ Once the panels are connected, adjust the shape to your desired configuration.
- ✓ Place the playpen on a flat, level surface and ensure that all panels are securely connected.
- ✓ Place your child inside the playpen and supervise them at all times.
- ✓ When not in use, the playpen can be easily folded and stored away.
- ✓ Ensure that all panels are securely connected before placing your child inside
- ✓ Do not add additional panels to the playpen as this can compromise the stability and safety of the product.
- ✓ Do not use the playpen on uneven surfaces or near stairs.
- ✓ Do not allow your child to climb on or hang from the panels.
- ✓ Check the playpen regularly for any signs of damage or wear and tear, and discontinue use if any issues are
- ✓ Keep small objects and toys away from the playpen, as they may pose a choking hazard to young children.

This **foldable baby playpen** is the perfect solution for parents seeking a safe and spacious play area for their baby. Madewith high-quality materials, this playpen is designed with your child's safety and comfort in mind. With 14 panels that can be combined into various shapes, you can create different sizes of game space for your kids. The non-slip rubber pad on the bottom of each panel ensures stability and safety, while the upgraded rubberized suction cups provide a sturdy base!
