

KIDS 12-PIECE GARDENING TOOLS SET - PLAY22 *Original*

INSTRUCTIONS TO USE

- ✓ No assembly required
- ✓ Let your kids start growing real plants, learn about nature, develop skills and spend many happy hours playing
- ✓ The apron, gloves, and hat which have a quick-release safety feature provide enough sun protection
- ✓ This set can be used by children of all ages, no matter he/she is a 3-year-old or a 7-year-old
- ✓ Comes in the perfect size for your little one's small hands, and the cute design is enough to attract their interest
- ✓ The watering can of this set has a water-locking system on the head to avoid unnecessary water overflow
- ✓ The convenient carrying bag easily stores all the gardening tools making it easy to carry them around
- ✓ Each tool is completely safe for children and has no sharp edges and is free from burrs
- ✓ Great for gardening, beach trips, sand castles, park, outdoor exploration, playgrounds, etc
- ✓ Recommended to be used under direct supervision of an adult

GET YOUR CHILDREN AWAY FROM THE SCREEN AND DO SOME GARDENING

Get your children away from Mobile Phones, TV, and screen gaming out into the fresh air! This **kids 12-piece gardening tool set** make everything easy for you! Let them enjoy digging soil, sowing seeds, watering plants, and chasing butterflies, thus developing a sense of nature, and learning about proper nutrition. This activity also fosters your little one's hands-on skills and makes them learn how plants grow and develop.
